

NEGEM  
OCTOBER 4, 2014  
Presentation Evaluation Form

**TEAM:** \_\_\_\_\_

**MOTIVATION**

What was the motivation for this research?

What was the underlying hypothesis/ research question? Was it clearly stated? Give a 1-sentence statement of the question.

Is it clear why the question was important? Give one reason

Did the team provide the necessary background to help you understand the topic? Would additional background information be useful, if so of what kind?

**ORGANIZATION**

Was there a logical development of ideas through the presentation?

Was there a good balance of presentation components: introduction, materials and methods, results and discussion?

Were the conclusions clearly stated? Give a 1-sentence statement of the conclusions.

Was it clear how the conclusions related to the initial question?

Presentation Evaluation Form

**LAYOUT AND DESIGN**

Was there too much text on the slides?

Where the figures clear and easily understood?

Were colors used appropriately?

Did the graphics look professional and free of “fluff”?

Do you have other visual presentation suggestions for the team?

**COMMENTS**

Name at least one area where the team did exceptionally well.

State at least one area where the team could improve the presentation.

Give your overall impression of the talk.
